**RESPONSE TO FCC REQUEST FOR  
EEO INFORMATION**

Comes now, Viper Communications, Inc., (“Viper”), licensee of KRMS (AM), Osage Beach, Missouri, through counsel, with this Response to the Commission’s request for EEO information pursuant to its letter dated February 6, 2015.

KRMS (AM) is owned by Viper Communications, Inc. (“Viper”). Viper also owns the following, additional stations which comprise the employment unit:

KMYK (FM), Osage Beach, Missouri  
WENG (AM), Englewood, Florida

**REQUEST “A”**

Each station shares employees and all are considered as one employment unit. All responses to this request for information will be with reference to the entire employment unit, as required by the Commission’s rules. The Annual EEO Public File Reports for Viper stations may be located at

KRMS: <http://krmsradio.com> (Contact/About/EEO)  
KMYK: <http://935rocksthelake.com/> (Home page/bottom)  
WENG: <http://www.wengradio.com/> (Contact/About/EEO)

The EEO Public Inspection File Reports for the periods from October 1, 2012 through October 1, 2013 and from October 1, 2013 through October 1, 2014 are provided herewith in *Attachment One*. There were thirteen, full-time hires during that two-year period.

**REQUEST "B"**

All recruitment information and advertising efforts to support recruitment are detailed in the attached EEO Public Inspection File Reports.

**REQUEST "C"**

The information requested for response to this item is contained within the annual EEO Public File Reports are provided in *Attachment One*.

**REQUEST "D"**

Specific details regarding the unit's outreach initiatives are provided in the Public Inspection File Reports furnished in *Attachment One*. The unit employs ten full-time employees. All three stations are located in small markets. Osage Beach is located in Camden County, Missouri, and the population was approximately 44,000. WENG is located in Englewood, Florida, population 14,663, according to the US Census of 2010 and, accordingly, Viper is required to perform 2 initiatives within a two year period.

**REQUEST "E"**

There have been no complaints alleging unlawful discrimination in the employment practices of Viper Communications, Inc. during the current license term.

**REQUEST "F"**

Viper Communications, Inc. is a small company which owns three radio stations in small markets. There are only ten fulltime employees involved in the operation of these stations. Kenneth Kuenzie is the general manager of all the stations and is responsible for ensuring enforcement of the company's EEO policies. Mr. Kuenzie works with each employee on a one-on-one basis. All job advertisements state that Viper is an equal opportunity employer and that it does not discriminate in its hiring practices. A copy of the unit's EEO Program is available at the studios and copies of its annual EEO Public File Report are available for review by any interested party.

**REQUEST "G"**

The unit has retained FCC counsel to assist it with an annual review of its EEO efforts to assure compliance. FCC counsel works with the general manager of the stations to ensure that the EEO program is effective and that any problems are addressed in a timely manner. This review will be provided annually but issues will be addressed as soon as they may arise.

**REQUEST "H"**

Viper stations employ only ten fulltime people. That is approximately 3 persons per station. Accordingly, there is no formal review to examine pay, benefits, seniority practices, promotions, and selection techniques. The general manager is intimately familiar with the details of each employee's job related circumstances. In such a small company, a formal program is unnecessary. The company does not discriminate. There are no unions at any of the stations.

**REQUEST "I"**

None of the stations are programmed pursuant to a Local Marketing Agreement or Time Brokerage Agreement and the unit is not a religious broadcaster.

Respectfully submitted,  
Viper Communications, Inc.

**Affidavit of Kenneth Kuenzie**

I, Kenneth Kuenzie, under penalty of perjury, hereby state the following:

I am the President of Viper Communications, Inc., licensee of KRMS(AM), KMYK(FM), Osage Beach, Missouri and WENG, Englewood, Florida. I have reviewed the attached "Response to EEO Audit" prepared in response to an FCC request for information.

The attached Response is true, correct and complete to the best of my information, knowledge and belief.

Kenneth Kuenzie, President  
Viper Communications, Inc.

## **OUTREACH ACTIVITIES**

**October 1, 2012 through October 1, 2013**

The unit has selected the following outreach initiatives:

**1. Host at least two job fairs during a two-year period**

The unit hosted one job fair during this period. It was held at WENG Radio station on September 18, 2013. Twenty two people attended. The event was hosted by the President, the morning drive announcer and two account executives. This event was supported by radio ads, newspaper ad and a mailing.

**2. Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.**

During this period, the President continued training to ensure equal employment opportunity and preventing discrimination. Additionally, the Vice President and the CFO reviewed additional sections of the book, EEO Law and Personnel by Arthur Gutman. Specifically, they studied chapter 6: Age Discrimination in Employment Act.

3. **Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.**

Viper has designed its own Outreach Initiative designed to be more appropriate to its central Missouri location. Specifically, Viper has designed an “Open House” program whereby it invites members of the community to visit the stations on Open House Day to see the facilities, talk with management and owners, and discuss careers with the staff. The Open House for 2012 was held on December 20, 2012. Two people visited the station as part of Open House 2013. This event was supported by radio ads and a mailing.

## YELLOWJACKET FANS!!

**Here is something you  
won't want to miss!**  
Here are 2 restored antique 1950s  
Duncan Parking Meters. Both are  
customized with Buzz, the LHS black &  
& "Yellowjackets" is across the top.  
Only 2 available!  
One is a "table-top" meter,  
while the other is about 6' tall.  
**Both are fully functional!**  
They take pennies, nickels and dimes.  
The bases are hand-crafted Missouri  
cherry. These would look great in any  
Lebanon business or office, or in a  
Yellowjacket fan's man cave!  
They would also make great gifts  
for that LHS supporter.

trucks, compressors, dryers, etc.
- Building facilities at all  
locations with assistance  
from outside vendors.
- HVAC, Plumbing, Electrical,  
Fire safety, Landscaping, etc.

Good working knowledge  
of computers: email,  
spreadsheets, word  
documents. The ability to  
work independently and solve  
problems working in a fast  
paced, dynamic environment.  
Good verbal and written  
communication skills.  
We offer health insurance,  
AFLAC, paid holidays, paid  
time off, and 401K. We are a  
drug & nicotine free work-  
place. Pre-employment drug &  
nicotine screening required.

During the period, the Unit hired 9 full-time persons for its radio stations in Florida and Missouri. The three (3) account executives hired on 7/1/2014 were recruited by a mailing campaign to various community agencies. The mailing was forwarded to the State of Missouri which recommended several candidates. Three candidates were hired as a result of this recruitment as interns paid by the State. The understanding was that if they performed according to expectations, each would be hired. All three were hired.

The traffic manager hired on 7/29/2014 was originally a part-time employee at KRMS/KMYK. She was moved to full time after complete recruiting.

The balance of the hires for this period are described, above.

## **OUTREACH ACTIVITIES**

**October 1, 2013 through October 1, 2014**

The unit has selected the following outreach initiatives:

**1. Host at least two job fairs during a two-year period**

The unit hosted two job fairs during this period. The first was held at KRMS/KMYK Radio station on May 6, 2014. Five people attended. The event was hosted by the Vice President and the Chief Financial Officer, together with the office manager, account executives and on-air talent. This event was supported by radio ads, newspaper ad, Cable TV-On Media and a mailing.

The second job Fair, at WENG, was held on May 6, 2014. No one attended. The event was hosted by the President together with the office manager, an account executive and on-air talent. This event was supported by radio ads, newspaper ad, and a mailing.

**2. Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.**

Management personnel continues to study EEO LAW and PERSONNEL PRACTICES, Second Edition, By: Arthur Gutman

Chapter 5 Equal Pay Act 1963  
Sections I -V.

Kenneth Kuenzie has read the above, January, 2014 Carol Wamebold read the above, June, 2014 Dennis Klautzer has read the above, August, 2014

**3. Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.**

Viper has designed its own Outreach Initiative designed to be more appropriate to its central Missouri and Florida locations. Specifically, Viper has designed an "Open House" program whereby it invites members of the community to visit the stations on Open House Day to see the facilities, talk with management and owners, and discuss careers with the staff. The Open House for KRMS/KMYK was held on

September 18, 2014. Four people visited the station as part of Open House 2014. This event was supported by radio ads and a mailing. The Open House for WENG was held on September 29, 2014. TWO people visited the station as part of Open House 2014. This event was supported by radio ads and a mailing.

KEEn,

Just a friendly reminder that you are scheduled to visit my Public Services classes on Thursday, March 20th.

I am writing early because we will be on Spring Break next week and I don't want to forget to send you the following information after I return to school.

The classes you will speak with start at 11:15am--there are three classes with the last one ending at 1:55pm. You will need to be on campus by 11:00am to check in at the front office. You will find that office at the front of the school in a portable building next to the auditorium. Please check in with a secretary and then someone will escort you back to my classroom. Got it will do.

Normally, my students would have questions prepared for you but if I remember correctly, you said you did not need them to do that--you have a presentation that does not require them to be prepared in advance. Please let me know if I remember this wrong. If they have questions that would be great I will answer as many as possible.

Thank you for agreeing to do this for my students. I look forward to your visit. If you have any questions, please let me know.
