### **PaPPOs “Pizza4Heroes” Program**

PaPPO’s Management, USA operator of 4 PaPPO’s locations in the Lake of Ozarks, Springfield and Columbia, MO has announced the rollout of a new program called **“Pizza4Heroes”** in order to help facilitate feeding of HealthCare workers on the frontline of the Covid-19 crisis. According to PaPPO’s Founder “Pappo” Chris Galloway, “To help out, PaPPO’s has been delivering free pizza and meals to Health Care Workers at Hospitals and Medical Offices for the last several weeks since the pandemic began. The response from the Healthcare Workers has been overwhelmingly positive. Nurses, Doctors and Staff have been posting pictures and videos with their PaPPO’s Pizzas! You could just see how they appreciated it and how extremely grateful they were! A local business owner in Osage Beach, one of our very good Customers, Jen Dowdney, sent me a message suggesting a program where folks can donate to help provide quality food for the Healthcare Workers, who are the Soldiers going into battle every day, even at their own peril on the frontline of this terrible crisis.” Pappo jumped on the idea and set about his Staff to set the program up online.

So, here is how it works. Folks that want to donate to **Pizza4Heroes** can go to PaPPO’s website at: [www.pappospizzeria.com/pizza4heroes](http://www.pappospizzeria.com/pizza4heroes) to donate. Then, they would choose a \$62 dollar (feeds about 6) or \$102 dollars (feeds about 10) or any amount they wish. No donation is too small or too high as the company will take the proceeds, combine them and apply them to where they are needed most. Folks can request where they would like the pizza and meals to go to. Healthcare and first responders can go to [www.pappospizzeria.com](http://www.pappospizzeria.com) and request pizzas and meals at their facilities. PaPPO’s will have a full time coordinator who will match up Donations to Requests on a first come first serve basis and coordinate with the Local PaPPO’s to facilitate the deliveries. It will be a “turnkey” program where all delivery fees, tips for drivers and admin costs will be deducted from the proceeds and nothing will be required by the recipients of the pizzas and meals except to enjoy the gifts they receive.
