

CITY OF ST. ROBERT

M I S S O U R I

BOIL ADVISORY NOTICE:

AS OF JULY 20, 2020, STARTING AT 2:00PM, A BOIL ADVISORY HAS BEEN ISSUED BY THE CITY OF ST. ROBERT FOR BUSINESSES AND RESIDENTS DUE TO AN EMERGENCY WATER MAIN BREAK:

AFFECTED LOCATION/S ONLY: GOOD HOPE ST, REGENT ST, ALICE ST AND (2) BUSINESSES LOCATED AT 1037 AND 1057 OLD RT. 66.

Note: This is a boil advisory only and not a boil order. An advisory is issued as a precautionary measure since the water pressure in the main will drop below 20 PSI during work and contaminants can possibly get in to the main. The likelihood of this happening is slim, but the city must issue an advisory due to DNR standards.

This boil advisory will remain in effect until DNR sample results are returned to our office which will take 3-5 business days.

Customers in this area are advised to boil tap water for at least 3 minutes before consumption or use bottled water. Businesses regulated by the Department of Health and Senior Services should follow applicable department regulations. Customers will be notified when testing is complete and they can resume using their normal water supply.

For more information regarding this advisory can call the Public Works Department at (573) 451-2000 Ext. 1144. For information concerning Department of Health and Senior Services regulations, please call (573) 736-2217.

***** This notification and any attachments hereto are intended only for use by the addressee(s) named herein and may contain important public notice information. If you are not the intended recipient of this notification, you are hereby notified that any dissemination, distribution, altering of or copying of this notification and/or any attachments is strictly prohibited. If you have received this notification in error, please immediately notify the sender by telephone and/or e-mail and permanently delete the original and any copy or printout thereof and any attachments thereto. Your compliance is appreciated.**
