During the period, the Unit filled one full-time positions. The unit recruited for this position but it decided to promote a part-time employee to full-time status.

### **OUTREACH ACTIVITIES**

### October 1, 2021 through October 1, 2022

The unit has selected the following outreach initiatives:

#### 1. Host at least two job fairs during a two-year period

The unit hosted one job fair during the period, on March 8, 2022 at the Inn at Grand Glaze, Osage Beach, Mo. It is estimated that one hundred people attended the job fair. The CFO and four sales executives attended the event on behalf of the unit. The Unit recruited for the open position during this Job Fair.

## 2. Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

During this past year, the management of Viper Communications, Inc. continued its training of management personnel by studying the book, <u>EEO</u> <u>Law and Personnel Practices</u> by Arthur Gutman. Kenneth Kuenzie, Carolyn Warnebold and Dennis Klautzer studied "Sexual Harrassment".

# 3. Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.

Viper has designed its own Outreach Initiative designed to be more appropriate to its central Missouri location. Specifically, Viper has designed an "Open House" program whereby it invites members of the community to visit the stations on Open House Day to see the facilities, talk with management, owners and talent and to discuss careers with the staff. This period, the Unit hosted an Open House event on September 29, 2022. No one attended the event. The event was promoted on the air.

In addition to these outreach initiatives, the unit also aired Public Notice Press Releases and mailed notices to each of the community groups on its list. These notices were published twice during the year to notify the public that the stations seek involvement from community groups regarding its recruitment efforts. One community group responded and that group regularly receives information from the unit regarding full-time job openings. **Public Notice Press Releases and Mailings**
